Buyers rush \$52m sales at Harbour Quays

HARBOUR Quays on the Gold Coast has been rushed by buyers with almost \$52 million in land sales now settled.

The Lewis Land Group of Companies project will form part of a \$750 million new residential and business precinct on

the northern end of the Gold Coast.

Already 75 settlements have occurred with a number of others about to be finalised. The average price of blocks at Harbour Quays has been \$505,182 and the waterfronts have averaged \$603,428.
